2016 Summer Research Experience for Undergraduates (REU)
Fundamental Research Topics Related to Unmanned Systems

University of Alabama in Huntsville (UAH)
May 30 – August 5, 2016

OVERVIEW:

Eligibility
This is a federally-funded program and requires that student participants be:

- At least 18 years old by May 30, 2016.
- U.S. Citizens or Permanent Residents of the U.S. or its territories.
- Students in good standing at an undergraduate degree program who will not have graduated by the end of this REU program.

Taking Summer Courses
Please be advised that taking courses in the summer parallel with participation in the REU program is strongly discouraged. If you have to take courses in the summer, please discuss that decision with the mentor of your project of interest before applying.

Application Deadline
The deadline for submission of applications is Wednesday, April 13, 2016. Students should apply as soon as possible. Students' applications will be processed and they will be notified by email about their acceptance by Wednesday April 27, 2016.

Program Dates
The duration of the program is 10 weeks. It starts on Monday, May 30, 2016 and ends on Friday, August 5, 2016. The students must plan to arrive on Sunday, May 29, 2016 and leave on Saturday, August 6th. Accommodations only includes these dates in addition to the 10 weeks of the program.

Location
The research program will take place on the campus of University of Alabama in Huntsville (UAH). Visit the UAH's website at: http://www.uah.edu. The campus is in the city of Huntsville, AL, known as the Rocket City (in Madison county). US Space and Rocket Center, an aerospace museum and playing ground, is close to campus. Monte Sano State Park and Haze Nature Preserve, which are excellent for biking and hiking and camping, are 15 and 25 minutes away from the campus, respectively. Point Mallard Water Park, located in the city of Decatur, AL is only 30 minutes away from the campus. The address of the UAH campus is: 301 Sparkman Drive, Huntsville, AL 35805

Living Arrangements
Comfortable dormitories on the campus of UAH will house the participants for the duration of the 10 week program for free, if requested by the student.

Stipend
A $5000 REU stipend is offered to participants who successfully complete the program.
